2.2 This Agreement discusses important legal issues that impact Company's rights and obligations. Among other things, the Agreement limits liability of Jeeves to the Company arising out of the Services, defines how disputes will be resolved, and provides information on how Notices are provided to Company.

2.3 TO THE EXTENT PERMITTED BY LAW, THIS AGREEMENT INCLUDES THE COMPANY'S WAIVER TO CONSOLIDATED OR CLASS ACTIONS AND THE COMPANY'S AGREEMENT TO RESOLVE DISPUTES THROUGH BINDING ARBITRATION. THE COMPANY MUST READ IT CAREFULLY.

2.4 IN ORDER FOR SOME SERVICES TO BE PROVIDED, THE COMPANY AUTHORISES PAYMENTS TO BE MADE TO JEEVES FROM ONE OR MORE LINKED ACCOUNTS AND/OR ANY ACCOUNT PROVIDED BY A JEEVES PARTNER. THIS AGREEMENT PROVIDES AUTHORIZATION FOR JEEVES TO AUTOMATICALLY DEBIT COMPANY'S LINKED ACCOUNTS AND/OR ANY ACCOUNT PROVIDED BY A JEEVES PARTNER FOR ALL AMOUNTS OWED UNDER THIS AGREEMENT. THE COMPANY MUST READ THIS AGREEMENT THOROUGHLY. UPON JEEVES' REQUEST, THE COMPANY SHALL EXECUTE AND DELIVER A PRE-AUTHORIZED DEBIT AGREEMENT IN THE FORM REQUIRED BY JEEVES (A "PAD AGREEMENT"), WHICH AUTHORIZES JEEVES TO DEBIT COMPANY'S LINKED ACCOUNT AND/OR ANY ACCOUNT PROVIDED BY A JEEVES PARTNER FOR ALL AMOUNTS OWED UNDER THIS AGREEMENT.

- Jeeves acting as the appointed agent of a Relevant Principal. Where Jeeves acts as agent, it does so on behalf of and under the regulatory permissions of the Relevant Principal. For the avoidance of doubt, the Relevant Principal (and not Jeeves) shall be responsible for the regulated Services provided through Jeeves as its agent.

3.5.3 The Company is responsible for obtaining such agreements or commitments that it considers appropriate from Users with respect to their use of the Services, including to ensure that a Payment Method not be used to purchase or pay for gambling, online gaming, illicit drug transactions or for any other illegal, improper, or unlawful purpose, or if it has expired. We may refuse to authorize any other types of transactions at our discretion.

3.5.4 Company will immediately disable User access to the Services where it knows or believes an Account or Payment Method has been or may be compromised, stolen, or misused. Company will promptly notify Jeeves of any actual or threatened loss, theft or unauthorized access or use involving the Services.

3.5.5 Jeeves may suspend access to the Account or Payment Method if Jeeves believes the Account or Payment Method has been compromised or that not doing so may pose a risk to Jeeves, Company, Issuer, or any third parties.

3.5.6 Authentication. In order to use the Jeeves Platform, Company (or an Authorised User) must log in using the unique password and any multiple-factor authentication requested by Jeeves: for example, Jeeves may require the Authorised User to authenticate that they are the Authorised User when logging in to the

Jeeves Platform, or for certain transactions made using the Jeeves Platform. Company must store all log-in information and passwords to access the Jeeves Platform safely and securely at all times and only allow Authorised Users to access the Services.

3.5.7 Suspected compromises of safety and security. Company must contact Jeeves immediately by email to hello@tryjeeves.com and change its password if it suspects: (1) access to the Jeeves Account or other of its security credentials are stolen, lost, used without authorisation or otherwise compromised; or (2) someone else has found out Company's log-in information and password for its access to the Services. (3) Any undue delay in notifying Jeeves may affect the security of Company's access to the Jeeves Account and result in Company being responsible for financial losses.

3.5.8 Check transactions regularly. Without prejudice to the foregoing, Jeeves will also not be liable to pay a refund: (1) if Company has breached these terms; (2) if Company has given Jeeves incorrect instructions for the transaction (Jeeves may reasonably assist Company to recover the funds, where possible, but does not guarantee that this would be successful); or (3) in respect of any losses that are not the direct result of Jeeves's act or omission.

3.5.9 Where Jeeves refunds Company for an unauthorised transaction but subsequently finds that the Customer did not comply with its obligations under this Section 2(e), Company must reimburse Jeeves for the value of the unauthorised transaction.

3.5.10 Credit Line Clean-Up Provision. Jeeves reserves the right, at its sole discretion, to require Customer to fully repay all outstanding balances under the Credit Line (a "Clean-Up") and maintain a zero-balance position for a rest period determined by Jeeves (which shall be no less than one (1) week), upon written notice specifying a Clean-Up deadline. This right may be exercised at any time to ensure that the Credit Line is not being utilized as a permanent or long-term financing tool or in any manner considered not compliant with this Agreement or related documents, and is not limited to any particular pattern of use or financial circumstance of the Customer. If Customer fails to complete the Clean-Up by the specified deadline, Jeeves may suspend access to the Credit Line until the balance is fully repaid and the rest period has elapsed, after which Jeeves may, at its discretion, reinstate the Credit Line subject to a reassessment of Customer's creditworthiness. This Agreement does not transfer from Jeeves to Company any ownership rights in the Jeeves Account or the Services.

3.8.3 Jeeves License. During the Term, Jeeves grants to Company a personal, limited, revocable, non-transferable, non-exclusive, non-assignable, non-sub-licensable, royalty-free licence to access and to use Jeeves Property to access and use the Jeeves Account through any supported web browser for the receipt of Services provided to Company under this Agreement provided that Company complies with this Agreement. This license terminates upon termination of this Agreement unless terminated earlier by us.

3.8.4 License Restrictions. The provisions of this Section 2(h) shall apply to any licences granted to Company by Jeeves and/or its Affiliates. Company shall not, except to the extent allowed by Applicable Law or granted under a licence from Jeeves to Company under Section 2(h)(iii) or otherwise in this Agreement, attempt to: (1) use, distribute, reproduce, modify, copy, adapt, translate, create derivative works from, transfer, loan, rent, sublicense, sell, or otherwise commercially exploit, frame or otherwise re-publish or redistribute, publicly perform or publicly display any part of the Services including the Jeeves Account, Services, or included software; (2) allow any unauthorised person to access or use the Jeeves Account or use the Services, or trade on the Jeeves Account for speculative purposes; or (3) reverse compile, disassemble, reverse engineer, attempt to extract the source code, or otherwise reduce to human-perceivable form all or any part of the Services or Jeeves Account.

3.8.5 Customer Infringement. Company will not use the Services, including the Jeeves Platform, in any way that infringes or violates Jeeves's or any third party's Intellectual Property Rights, or otherwise in breach of Applicable Law. The Jeeves Platform may display content that Jeeves does not own or is otherwise not

responsible for. Company shall not use content from any of the Services, including the Jeeves Platform, unless Company obtains written consent from Jeeves or the owner of the content, or as permitted by Applicable Law.

3.8.6 Feedback. If Company provides Jeeves with any comments, questions, ideas, suggestions or other Feedback relating to the Jeeves Account or any of the Services, Company agrees that Jeeves may freely use, copy, disclose, license, distribute and exploit such Feedback in any manner without any obligation, royalty or restriction based on Intellectual Property Rights or otherwise. Feedback will not be considered as constituting Company's Confidential Information or Customer Materials.

3.9 Data.

3.9.1 The Card Networks, Jeeves, Issuer, and Third-Party Service Providers collect Company Data through Company's use of the Payment Methods, the Services, and Third-Party Services. The Company Data may be used by Card Networks, Jeeves, Issuer and Third-Party Service Providers (i) to provide Services to Company and Users, or as required by Card Network rules; (ii) for internal analytics and reporting; (iii) for underwriting, identity verification, internal reporting and analysis, and fraud prevention; (iv) as needed in dispute resolution; (v) to generate De-Identified Data, which may be used for development of products and services, including data products; and (vi) as required to comply with law, regulation or Card Network rules.

3.9.2 Jeeves may also report Company performance to credit reporting agencies and credit rating agencies, where appropriate. **UPON JEEVES' REQUEST, THE COMPANY SHALL EXECUTE AND DELIVER A CREDIT BUREAU FORM ("CREDIT BUREAU AGREEMENT"), WHICH AUTHORIZES JEEVES TO REPORT COMPANY PERFORMANCE TO CREDIT REPORTING AGENCIES AND CREDIT RATING AGENCIES, WHERE APPROPRIATE.**

3.9.3 Jeeves may use De-Identified Data for any lawful purpose and may include De-Identified Data in both public and private reports where such De-Identified Data cannot be reasonably used on its own or in combination with other information to identify Company Users or other individuals. We will not share any Company Data with third parties for marketing unaffiliated products without Company's consent but may use Company Data to identify Services, Third-Party Services, or programs that we believe may be of interest to Company, including as part of a rewards or Benefits program. Where Company Data is shared with third parties, Jeeves will implement controls to reduce the risk of loss or accidental disclosure.

3.9.4 Company grants Jeeves a worldwide, irrevocable license to use, modify, distribute, copy, and create derivative works from Company Data for the purposes identified in this Agreement.

3.9.5 Rewards. Jeeves may determine when, how, and under what conditions Company or Users may qualify for or earn rewards, perks or other benefits. Certain Payment Methods may not be eligible for rewards, perks or other benefits. Rewards offered may be subject to applicable agreement.

3.9.6 Card Benefits. Jeeves may, in its sole discretion, determine: (i) what Benefits apply to the Account; and (ii) the eligibility requirements for each Benefit. Benefits and/or Benefit eligibility may be subject to change at Jeeves' sole discretion. Many Benefits are offered by Jeeves third party partners. In the event that you use any Account Benefit, you agree to be bound by the terms and conditions of use applicable to such Benefit, as notified to you or available from Jeeves.

3.9.7 Beta Services and Feedback. Beta Services may be made available to Company or Users. Any Beta Services are provided "AS IS" and without warranty, either express or implied to the extent permitted by law. Jeeves may use any Feedback about the Services or Beta Services freely and without restriction. Except where specifically notified by Jeeves, Company will not be compensated or credited for Feedback provided to Jeeves.

3.9.8 Privacy Notice. Collection, use, and handling of Personal Data is described in the Jeeves privacy policy. Company and Users agree to review the privacy policy and to be bound by its terms. Jeeves will use the personal data to provide the Services. Other data processing not necessary to provide the Services, as stated in the Privacy Policy, will be carried out with the prior, informed, unambiguous and free consent. Company and Users may contact Jeeves with questions regarding the privacy policy. Jeeves reserves the right to change or modify the privacy policy in accordance with its terms and to the fullest extent permitted by law.

4. PAYMENT METHODS

4.1 Payment Method Terms.

4.1.1 Payment Method Terms may be provided to Company or made available on our website from time to time and are provided by the respective Jeeves Partner.

4.2 Linked Accounts and Third-Party Services.

4.2.1 Services may constitute the use of Financial Data from Linked Accounts to verify account balances and account information, establish Spending Limits, identify spending patterns and potential fraud, determine Spending Limits, analyze and report transactions, and provide Services to Company.

4.2.2 Company must maintain at least one Linked Account at all times and agree that Jeeves may directly debit this Linked Account for payment of Periodic Statements pursuant to the terms of the PAD Agreement.

4.2.3 Company may change Linked Accounts through the Account.

4.3 Spending Limits; Non-Use Fees.

4.4.1 Jeeves may not disclose exact Spending Limits but may provide guidance identifying whether specific transactions or monthly volumes may exceed any Spending Limits.

4.4.2 Spending Limits may be modified at any time with or without Notice to Company or Users, including temporary increases or decreases to Spending Limits or reducing Spending Limits to €0.

4.4.3 Administrators may set User-specific limits or controls through the Account, but the aggregate Spending Limit for all Users will not be allowed to exceed the total Spending Limit established for the Company.

4.4.4 Jeeves reserves the right to charge a reasonable non-use fee to Customer's Account in the event Customer spend fails to exceed the equivalent of €10,000 per calendar month or Company does not use its Jeeves Account or Payment Methods for ninety (90) days or Customer's account otherwise becomes inactive.

4.4 Requesting and Replacing Payment Methods.

4.4.1 Administrators may request the integration of specific Jeeves Partner Payment Methods for Users through the Account but will only request Payment Methods for and provide Payment Methods to individuals that are employees or affiliated with or authorized by the Company.

4.4.2 Payment Methods may be denied or canceled due to changes in the Jeeves Partner policies, as required by law or regulation, or if Jeeves is no longer able to support the continued integration of the Payment Method, as Jeeves may determine is appropriate under the circumstances.

4.4.3 Payment Methods are governed by the Jeeves Partner Payment Method Terms and may involve the issuance to Users of physical or virtual codes or devices (for example, a Card issued without an associated physical card). By default, new Users will be issued both a physical and virtual Card and will be able to view transactions and manage their Cards through the Account. The forms of other Payment Methods, such as SWIFT, ACH, SPEI, SEPA credit transfer or SEPA direct debit, or Bill Payment, will vary.

4.4.4 Company or User will promptly notify Jeeves and the respective Jeeves Partner and take appropriate measures to prevent unauthorized transactions when a Payment Method is lost, stolen, breached, or needs to be replaced. In such cases, Administrators may request the issuance of replacement Payment Methods by Issuers through the Account. Replacement Payment Methods may have new account numbers that will require updates to information contained on file for any scheduled or recurring payments. If Company does not update the Payment Method for scheduled or recurring payments using replacement Payment Methods, the transactions may not be completed. Company or Users are solely responsible for updating Payment Methods stored with merchants where account numbers have been changed.

4.5 Using Payment Methods.

4.5.1 Users may only use Payment Methods for bona fide business-related or commercial Charges.

4.5.2 Company is solely responsible for selecting the individuals in the organization who should have access to the Account, Services, and Payment Methods.

4.5.3 Company agrees to establish and maintain controls designed to ensure that the Payment Methods are only used for bona fide Company purposes and in compliance with Card Network rules.

4.5.4 Company is solely responsible for Charges made by any individuals given access to the Account, Services, and Payment Methods, even if they are not the person associated with or named on the Payment Method.

4.5.5 Jeeves Partners, Card Networks, or other intermediaries may Chargeback, Reverse, Return, deny, or decline Charges for any reason. Jeeves is not responsible for any losses, damages, or harm caused by Charges that are subject to Chargeback, Reversal, Return, denial, or decline. If Company and a merchant have a dispute regarding a Charge identified on Company's Periodic Statement, including delivery of the incorrect goods or services or being charged the wrong amount, Company should first attempt to resolve the dispute with the merchant. If such a dispute is not resolved to Company's satisfaction or if Company believes the Charge is unauthorized, Company may initiate a Chargeback with the respective Jeeves Partner through the Account. The Card Networks have established procedures for resolving Chargebacks that may require that Company provide details of the disputed Charge or associated documentation.

4.6 Periodic Statements; Payment by Company.

4.6.1 Company is responsible for payment to Jeeves in full of all Charges, Fees, and Fines.

4.6.2 Jeeves will provide Company with a Periodic Statement identifying Charges, Fees, Fines, Chargebacks, Reversals, Returns, refunds, or other amounts owed or credited to the Account.

4.6.3 Unless otherwise specified in writing by Jeeves, the date on which Periodic Statements will be issued will be provided by Jeeves to Company upon opening of the Account or after Company makes its first transaction in the Account, in each case at Jeeves' discretion. From time to time, Jeeves may change Company's Periodic Statement date by providing reasonable notice to Company. Any Periodic Statement shall be conclusive evidence of the amount owed by Company to Jeeves for the indicated calendar month.

4.6.4 Jeeves may impose interest, finance charges, or other amounts due or owed on a balance indicated on a Periodic Statement. Jeeves reserves the right to terminate any Account, and discontinue the integration of any Payment Method, in the event that Company fails to make full payment of the amounts owed on a Periodic Statement on the date payment was due pursuant to this Section 3(f).

4.6.5 For foreign currency services, Company's transaction will reflect the net of the total amount transferred, taking into account any positive or negative effect of the foreign exchange rate as determined by Jeeves at the time of the transaction. In addition, for foreign exchanges, Jeeves will use the current exchange FX spot rate at which a currency pair can be bought or sold using prevailing quote for any given currency pair at the time of the transaction and in Jeeves sole discretion. In addition, at Jeeves' option, the Company will be required to pay to Jeeves a foreign exchange fee equal to a FX rate, determined by Jeeves, in its sole discretion, multiplied by the gross amount of the transaction. Such FX rate will be provided by Jeeves to Company at the time of the transaction.

4.7 Set Off and Collections; Events of Default.

4.7.1 Without limiting anything in Section 3(f) to the contrary, Periodic Statements that are not paid on time may be collected from any Linked Account or the Account itself; or set off, debited, or collected from amounts the Company holds jointly with a third party or opens in the future, even if the original Account has been closed.

4.7.2 This right to set-off may be exercised against Company, its affiliates, any assignees for the benefit of creditors, or receivers. This right will exist even if Jeeves does not exercise it prior to the making, filing, or issuance of an arbitration demand, court order, or other action.

4.7.3 Any failure to pay the full amount owed to Jeeves when required is a breach of this Agreement. Company is responsible for all costs or expenses that Jeeves, Issuer, or Third-Party Service Provider incurs collecting amounts owed but not timely paid, including legal or collections fees and other amounts permitted under law or regulation.

4.7.4 Upon the occurrence of any default in the repayment in full of any Charges or Fees or other amounts due or owed to Jeeves on a balance, in addition to those remedies permissible by law, Jeeves will have the following rights with respect to Company's Account hereunder: (i) Jeeves may refer such default to the applicable credit reporting agency or bureau, which may impact the Company credit score; (ii) Jeeves may refer the Account to a credit collections agency or outside legal counsel for the purpose of collecting outstanding amounts, in each case, the fees and expenses of which will be the obligation of Company and will be added to the outstanding amounts due or owed to Jeeves; (iii) Jeeves may limit any additional borrowings by, or disbursements to, Company hereunder or further use of the Services, Account or Payment Methods by the Company hereunder; (iv) Jeeves may adjust the terms of the Services, without Notice to Company of any such changes; (v) Jeeves may cause Company to accelerate the repayment of the outstanding amounts due or owing to Jeeves in respect of the Services, including by electing to debit Company's business banking account via ACH or other method (in the manner described in Section 3(h) below). In addition, Jeeves shall have all the right, in addition to any other rights provided by law, to enforce its rights and remedies under this Agreement and the documents related hereto. Further, the Company agrees to make any filing and/or notification reasonably requested by Jeeves in order to secure Jeeves's rights to receive payments in accordance with applicable law and the execution and perfection by Company of a non-possessory pledge on any and all rights to underlying recurring payments to Company by its customers in favor of Jeeves.

4.7.5 The remedies set forth above are also available upon the occurrence of any of the following events: (i)(1) Company is wound up or dissolved, Company is declared by a competent authority to be bankrupt or to be wound up or dissolved, Company makes a general assignment for the benefit of creditors or seeks the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for Company or its assets, Company seeks relief under any federal, national, state, regional, provincial or other governmental division bankruptcy, insolvency, receivership, reorganization or similar law now or hereafter in effect or (2) a resolution is adopted by or on behalf of Company authorizing any of the foregoing in this subsection (1); (ii) an involuntary proceeding is commenced or an involuntary petition is filed seeking (1) liquidation, reorganization or other relief in respect of Company or its debts, or of a substantial part of its assets, under any federal, national, state, regional, provincial or other governmental division bankruptcy, insolvency, receivership, reorganization or similar law now or hereafter in effect or (2) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for Company or for a substantial part of its assets and, in any such case, such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing in this subparagraph (2) shall be entered (each of (1) and (2), an "Insolvency Event"); (iii) Company fails to pay any amounts due or owing to Jeeves in full on or before its corresponding payment date or a default occurs otherwise; (iv) Company experiences any material decline in Company's overall financial position or forecasted financial performance (versus Company's projected financial position and/or financial performance, as presented by Company to Jeeves), in each case, as reasonably determined by Jeeves; (v) Jeeves determines that any representation or warranty of Company made herein, other than a representation or warranty that speaks only as of a particular time, is untrue or, in the case of such a representation or warranty that speaks only as of a particular time, that such representation or warranty was untrue as of such time; or (vi) Company fails to comply with any covenant herein.

4.8 Auto-Debit Authorisation.

4.9 THIS SECTION 3(h) PROVIDES AUTHORIZATION TO AUTOMATICALLY DEBIT COMPANY'S LINKED ACCOUNTS FOR ALL AMOUNTS COMPANY OWES UNDER THIS AGREEMENT. THE COMPANY AUTHORISES PAYMENTS TO BE MADE TO JEEVES FROM ONE OR MORE LINKED ACCOUNTS AND/OR ANY ACCOUNT PROVIDED BY A JEEVES PARTNER. THE COMPANY MUST READ IT CAREFULLY. UPON JEEVES' REQUEST, THE COMPANY SHALL EXECUTE AND DELIVER A "PAD" AGREEMENT, WHICH AUTHORIZES JEEVES TO DEBIT COMPANY'S LINKED ACCOUNT FOR ALL AMOUNTS OWED UNDER THIS AGREEMENT.

4.9.1 Company authorizes Jeeves or its assigns to collect amounts owed under this Agreement by debiting funds from the Linked Accounts at depository institutions, credit institutions or payment service providers (including banks and credit unions) via ACH in the United States or similar payment or settlement systems (including SEPA) outside of the United States. These debits are bound by NACHA rules for business-related ACH debits in the United States and the equivalent rules in the applicable jurisdiction outside of the United States.

4.9.2 Jeeves will debit Linked Accounts or any Account provided by a Jeeves Partner for all amounts owed to us under this Agreement. If these amounts cannot be collected via ACH or other mandate for any reason, Company agrees to immediately pay all amounts owed as directed by Jeeves. Company also authorizes Jeeves or its assigns to debit Linked Accounts or any Account provided by a Jeeves Partner immediately, on any date, and without additional Notice where (a) the

total aggregate balance of Linked Accounts or any Account provided by a Jeeves Partner is less than any balance minimums that have been communicated to Company; or (b) Jeeves determines, in its sole discretion, that the Company poses or may pose an unacceptable risk to Jeeves, Issuers, or third parties or no longer satisfies the underwriting criteria used to establish the Spending Limit for Company.

4.9.3 To withdraw the debit authorization from a Linked Account or any Account provided by a Jeeves Partner, Company must provide Jeeves thirty (30) day advance written Notice and pay all amounts owed on the Account immediately, including Charges and other amounts that may be included in future Periodic Statements. Withdrawal of a debit authorization does not terminate the Agreement or Company's obligation to pay all amounts owed under this Agreement or the Payment Method Terms. Company will be responsible for all costs of collections and damages under this Agreement if amounts owed are not paid by Company as described in this Agreement.

4. General Terms

4.1 Term and Termination.

4.1.1 This Agreement is effective when Company begins an Application for an Account and continues until terminated by either Company or Jeeves, as set forth in this Agreement.

4.1.2 Company may terminate this Agreement by paying all amounts owed and providing thirty (30) days' advance written Notice to Jeeves. Company remains responsible for Charges, Fees, Fines, and other losses caused by Company's action or inaction prior to terminating the Agreement. If Company reapplies or reopens the Account or uses or attempts to use the Services or Payment Methods, Company is consenting to the Agreement in effect at that time.

4.1.3 Jeeves Termination. Jeeves may terminate this Agreement, or suspend the Account or Payment Methods, by providing Notice to Company to the fullest extent permitted by law and this Agreement. For the avoidance of doubt, Jeeves may immediately terminate this Agreement without liability by giving Notice: (1) if Company commits a material breach of any of its obligations under this Agreement that is incapable of remedy; (2) if Company fails to remedy, where it is capable of remedy, or persists in any breach of any of its obligations under this Agreement for thirty (30) days after having been required in writing to remedy or desist from such breach; (3) in the event of a Force Majeure Event that has the effect of preventing Company from performing any of its obligations under this Agreement for a period exceeding one month; or (4) if Company undergoes an Insolvency Event, to the extent permitted by Applicable Law.

4.1.4 Jeeves Suspension. Jeeves's rights to terminate or suspend the Services for additional cause. Jeeves may without notice immediately suspend access to the Services or terminate all or any part of this Agreement or any of the Services if: (1) Company undergoes a Change of Control; (2) Jeeves has reasonable concerns about, or suspects criminal activity in connection with, the Account or Payment Methods, that any of the Services is being used fraudulently, or Jeeves reasonably believes that Company has fraudulently requested a refund for an unauthorised transaction; (3) Jeeves reasonably believes Company is in breach of Applicable Law or about to breach an Applicable Law, or Jeeves is required to terminate this Agreement by Applicable Law or a Regulator; (4) Company has breached this Agreement or Company or its Users has breached any applicable limits or restrictions set out in this Agreement or any applicable Payment Method Terms; (5) Company has given Jeeves false or inaccurate information, a representation or warranty made by Company is incorrect, or Jeeves has been unable to verify any information Company has provided; (6) Company notifies Jeeves of, or Jeeves suspects or identifies, any suspected or actual unauthorised transactions; (7) Company has been placed on any national or international restricted or prohibited lists or engages in any Restricted Businesses, which prevents Jeeves from doing business with Company; (8) Jeeves suspends or stops all, or part of, the Services, including for technical or security reasons; (9) Company has not paid or repaid any amounts owing to Jeeves by the date due; (10) one of Jeeves's banking partners, or other service provider necessary to provide the Services or Third Party Services, requires Jeeves to terminate this Agreement or any other part of this Agreement; or (11) Company does not use its Jeeves Account or any Payment Methods for three (3) months or Company's Account otherwise becomes inactive.

4.1.5 Notice of suspension. Where Jeeves exercises a right of suspension or termination under this Section 4(a), Jeeves will give Company notice of such suspension or termination where possible and the reasons for such suspension or termination, either before the suspension is put in place, or immediately after, unless it would compromise Jeeves's reasonable security measures or otherwise be unlawful. Jeeves will provide Company with reasonable opportunity to remedy the reasons for such suspension and use commercially reasonable endeavours to remove the suspension as soon as practicable after the reasons for the suspension have ceased to exist.

4.1.6 Except as otherwise expressly set forth herein, the rights, remedies, duties and obligations of the parties hereunder are intended to, and shall, survive the termination of any ongoing business or commercial relationship between Jeeves and Company in all respects.

4.2 Notice and Communication.

4.2.1 Company consents to Jeeves providing Notices under this Agreement electronically and understands that this consent has the same legal effect as a physical signature.

4.2.2 Jeeves will provide Notices regarding activity and alerts related to the Account electronically through the Account, email, and via text or SMS to the contact information provided to us by Administrators and Users. Notices affecting payment and legal terms in the Agreement will be sent to Administrators through the Account or email and are considered received 24 hours after they are sent.

4.2.3 Company understands that it may not use the Services, Payment Methods, or Cards unless Company consents to receive Notices electronically. Company may only withdraw consent to receive Notices electronically by closing the Account.

4.2.4 Jeeves may send Notices to User's mobile phones through text or SMS to the phone numbers Administrators and Users provide. These Notices may include alerts about Services, Payment Methods, Cards or Charges, and may provide Administrators and Users the ability to respond with information about Charges on Payment Methods, Cards, or the Account. Administrators and Users may elect to not receive certain Notices through the Account, but this will limit the use of certain Services and may increase the financial risks to the Company. Company will secure appropriate authorization to send text or SMS messages to Users on the Company's behalf.

4.2.5 Administrators and Users are required to maintain an updated web browser and computer and mobile device operating systems to receive Notices correctly. Administrators and Users are responsible for all costs imposed by internet or mobile service providers for sending or receiving Notices electronically.

4.2.6 Company, Administrators, and Users must contact Jeeves immediately if Company is, or believes it is, having problems receiving Notices.

4.2.7 Jeeves will provide the Company with support to resolve general issues relating to the Services and the Account, and Company's use of the same, through information made available electronically by us. Jeeves's support is also available by contacting us at the following email address: hello@tryjeeves.com.

4.3 Limitation of Liability.

To the fullest extent permitted by law Jeeves is not liable for consequential, indirect, special, exemplary, or punitive damages, lost profits, or lost revenue arising from or related to Company's, or its employees', agents', authorized third parties', representatives', Administrators', or Users', use of or inability to use Services, Payment Methods, or Cards, lost profits or reputational harm, physical injury or property damage, or any other losses or harm arising from or related to this Agreement or the Services, whether or not Jeeves was advised of their possibility by Company or third parties. Jeeves' maximum liability to Company, its employees, agents, authorized third parties, representatives, Administrators, and Users, taken together in aggregate, under this Agreement is limited to the greater of the total amount of Fees actually paid by Company to Jeeves (less any amount of payments made in respect of any event of default) in the three months preceding the event that is the basis of the claim or five thousand dollars (\$5,000). These limitations apply regardless of the legal theory on which the claim is based. Nothing in this Agreement may be construed as limiting either Party's liability for gross negligence, willful misconduct or breach of obligations deriving

from public order rules. Nothing in this Agreement limits or excludes, in relation to Company, its liability for: (a) any sums properly due and payable to Jeeves under this Agreement; (b) a breach by Company of Applicable Laws; (c) any liability arising under any indemnity given by Company under this Agreement; (d) any fraud or fraudulent misrepresentation by Company; or (e) any other act or omission, liability for which may not be limited under Applicable Law.

In addition, Jeeves and its Affiliates shall have no liability in respect of: (a) any loss outside of the direct control of Jeeves and/or any of its Affiliates that arises from the negligence, fraud or wilful misconduct or the insolvency of any third-party correspondent bank, liquidity provider, or other financial institution who is part of the payment network used to provide the Services; (b) the non-execution, or defective execution, of transactions or instructions if any information Company provides in Company's instructions is incorrect or if such non-execution or defective execution arises out of Company's failure or delay in providing Jeeves with the information Jeeves requires in accordance with this Agreement; or (c) any error, mistake or non-performance arising from the payee/beneficiary bank if the payee/beneficiary bank fails to process the payment correctly.

4.4 Representations and Warranties.

Company represents and warrants, on its own behalf and on behalf of its Administrators and Users, that: (i) Company is and will continuously throughout this Agreement be duly organized and in good standing under the laws of its jurisdiction of incorporation; (ii) Administrators have requisite organizational power and authority to agree to and enter into this Agreement and conduct business and manage Company's Account; (iii) none of the Company, any director, office agent or affiliate of the Company is an individual or entity that is, or is owned or controlled by, persons that are: (1) targeted by any Sanctions (2) located, organized or resident in a country, territory, or jurisdiction that is, or whose government is, targeted for Sanctions, including without limitation, currently Cuba, Iran, North Korea, Syria, the Crimea Region of Ukraine, the Donetsk People's Republic Region of Ukraine and the Luhansk People's Republic Region of Ukraine; (iv) Company and Users will not engage in activities prohibited by this Agreement; and (v) Company Data provided to Jeeves is complete, accurate, and current.

4.5 Disclaimer of Warranties.

4.5.1 THE SERVICES, JEEVES PROPERTY, AND BETA SERVICES ARE PROVIDED TO YOU "AS IS" AND "AS AVAILABLE." JEEVES DISCLAIMS ALL CONDITIONS AND WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE UNDER THIS AGREEMENT, AND JEEVES SPECIFICALLY DISCLAIMS ALL IMPLIED CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, OF SERVICES, JEEVES PROPERTY, AND BETA SERVICES AND NOTHING IN THIS AGREEMENT WILL BE INTERPRETED TO CREATE OR IMPLY ANY SUCH WARRANTY TO COMPANY.

4.5.2 THIRD-PARTY SERVICES ARE NOT PROVIDED OR CONTROLLED BY JEEVES. JEEVES DOES NOT PROVIDE SUPPORT FOR AND DISCLAIMS ALL LIABILITY ARISING FROM FAILURES OR LOSSES CAUSED BY THIRD-PARTY SERVICES.

4.5.3 JEEVES DISCLAIMS ALL WARRANTIES AND DOES NOT GUARANTEE THAT (a) SERVICES AND DATA PROVIDED UNDER THIS AGREEMENT ARE ACCURATE OR ERROR-FREE; (b) THE SERVICES WILL MEET YOUR SPECIFIC NEEDS OR REQUIREMENTS; (c) THE SERVICES WILL BE USABLE BY COMPANY, ADMINISTRATORS, OR USERS AT ANY PARTICULAR TIME OR LOCATION; (d) SPECIFIC MERCHANTS WILL PERMIT PURCHASES USING CARDS OR PAYMENT METHODS ISSUED BY THE ISSUER; (e) SERVICES WILL BE UNINTERRUPTED, SECURE, OR FREE FROM HACKING, VIRUSES, OR MALICIOUS CODE; AND (f) ANY DEFECTS IN THE SERVICES WILL BE CORRECTED, EVEN WHEN JEEVES IS ADVISED OF SUCH DEFECTS.

4.5.4 THE DISCLAIMERS OF WARRANTIES SET FORTH HEREIN APPLY TO THE FULLEST EXTENT PERMITTED BY LAW.

4.6 Indemnification.

Company agrees to indemnify and defend Jeeves and its affiliates, contractors and Third Party Service Providers, and each of its and their respective officers, directors, employees, agents, successors and assigns (each a "Jeeves Indemnitee") from and against losses incurred by such Jeeves Indemnitee that result from or are related to claims, proceedings, suits, or actions initiated against a Jeeves Indemnitee by any third party due to Company's breach of this Agreement, or an Administrator's or User's breach of obligations owed under this Agreement, the Payment Method Terms or any other agreements with Jeeves; for amounts owed by Company to third parties; for acts or omissions of Administrators, Users, or other Company employees or agents; for Company's use of Third-Party Services; or for disputes over Charges between Company and merchants.

4.7 Governing Law and Venue.

Unless otherwise specified, this Agreement will be construed, applied, and governed by the laws of the State of New York, exclusive of its conflict or choice of law rules except to the extent that US federal law controls. Subject to Section 4(i), all litigation will be brought in the state or federal courts located in New York, New York, unless and to the extent that, as determined by Jeeves, acting reasonably, the circumstances dictate that the laws of a non-U.S. jurisdiction would be more appropriately applied.

By beginning an Application for an Account, each party (i) accepts, for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts (and courts of appeals therefrom) for legal proceedings arising out of or in connection with this Agreement; and (ii) expressly submits to the jurisdiction of such courts, and irrevocably waives, to the fullest extent permitted by applicable law, its rights to bring an action in any other jurisdiction that could apply by virtue of its present or future domicile or for any other reason.

4.8 Binding Arbitration.

THIS SECTION 4(i) INCLUDES THE COMPANY'S WAIVER TO CONSOLIDATED OR CLASS ACTIONS AND THE COMPANY'S AGREEMENT TO RESOLVE DISPUTES THROUGH BINDING ARBITRATION. THE COMPANY MUST READ IT CAREFULLY.

4.8.1 To the fullest extent permitted by law, the parties agree to resolve all disputes arising under or in connection with this Agreement as provided in this Section 4(i). Any arbitration or other legal proceeding under this Agreement will only be on an individual basis. Neither party may join with other arbitrators or parties to form a Consolidated Action. Each party waives its right to participate in a Consolidated Action against the other party.

4.8.2 Company and Jeeves agree to first attempt to resolve disputes in good faith and in a timely manner. Where no resolution can be found, disputes will be resolved by arbitration in New York, New York before a single arbitrator, as provided in this section; except that disputes principally arising from protection of

intellectual property rights or breach of confidential information, to the extent applicable, will be resolved through litigation in accordance with Section 4(h) (Governing Law and Venue).

4.13.3 Arbitration will be administered by JAMS according to the rules and procedures in effect at the time the arbitration is commenced. Disputes with amounts claimed greater than \$250,000 will apply the JAMS Comprehensive Arbitration Rules and Procedures; and Disputes with amounts claimed less than or equal to \$250,000 will apply the JAMS Streamlined Arbitration Rules. The arbitrator will apply the substantive law as described in Section 4(h) (Governing Law and Venue). If JAMS cannot administer the Dispute, either party may petition the US District Court for the Southern District of New York to appoint an arbitrator. The parties acknowledge that transactions under this Agreement may involve matters of interstate commerce and, notwithstanding the provisions in this paragraph referencing applicable substantive law, the Federal Arbitration Act (9 U.S.C. §§ 1-16) will govern any arbitration conducted pursuant to the terms of this Agreement.

4.8.4 Either party may commence arbitration by providing a written demand for arbitration to JAMS and the other party detailing the subject of the dispute and the relief requested. Each party will continue to perform its obligations under this Agreement unless that obligation or the amount (to the extent in dispute) is itself the subject of the dispute. Nothing in this Agreement affects the right of a party to seek urgent injunctive or declaratory relief from a court of appropriate jurisdiction in respect of a dispute or any matter arising under this Agreement.

4.8.5 The prevailing party is entitled to recover its reasonable attorneys' fees, expert witness fees, and out-of-pocket costs incurred in connection with such proceeding, in addition to any other relief it may be awarded.

4.8.6 Proceedings and information related to them will be maintained as confidential, including the nature and details of the dispute, evidence produced, testimony given, and the outcome of the dispute, unless such information was already in the public domain or was independently obtained. Company and Jeeves, and all witnesses, advisors, and arbitrators will only share such information as necessary to prepare for or conduct arbitration or other legal proceeding, or enforcement of the outcome, unless additional disclosure is required by law.

4.14 Legal Process.

Jeeves may respond to and comply with any legal order received related to Company's use of the Account, Payment Methods, or Services, including subpoenas, warrants, or liens. Jeeves is not responsible to Company for any losses Company incurs due to Jeeves' response to such legal order. Jeeves may take any actions it believes, in its sole discretion, are required under legal orders including holding funds or providing information as required by the issuer of the legal order. Where permitted, Jeeves will provide Company reasonable Notice that Jeeves has received such an order.

4.16 Dispute Policy and Procedure.

Jeeves is committed to providing its customers with the highest level of service and support. However, there may be instances where Company or a User notifies Jeeves of a Dispute. Company and its Users are subject to the terms outlining the process for handling disputed transactions in a timely and efficient manner, in accordance with Applicable Laws, as set forth on Schedule B.

4.18 Assignment.

Jeeves may assign, pledge, or otherwise transfer this Agreement or its rights and powers under this Agreement without providing Notice to Company. Any such assignee will have all rights as if originally named in this Agreement instead of Jeeves. Company may not assign this Agreement or rights provided, or delegate any of its obligations, without Jeeves' express prior written consent.

4.20 Headings and Interpretation.

4.20.1 Except where otherwise specified, all references to sections or provisions refer to sections or provisions in this Agreement or the applicable incorporated terms. The phrases "including," "for example," or "such as" do not limit the generality of the preceding provision; the word "or" will be read to mean either " . . . or . . ." or any combination of the preceding items; and provisions listing items and using "and" require all listed items.

4.20.2 All monetary amounts owed under this Agreement will be made in euro (EUR) or other currency as agreed between Jeeves and Company.

4.20.3 This Agreement, including incorporated terms, comprises the entire understanding of the parties with respect to the subject matter described and supersedes all other proposals or previous understandings, written or oral, between the parties. In the event that this Agreement is terminated, the Payment Method Terms will immediately terminate.

4.21 Changes to this Agreement.

4.21.1 Jeeves may modify this Agreement or provide another agreement governing Company's use of the Account, Services, Payment Methods, or Cards, or any portion of them, by providing reasonable advance Notice. Any Administrator's or User's continued use of the Account, Services, Payment Method, or Cards constitutes consent to the revised Agreement.

4.21.2 If Company disagrees with the proposed changes: (i) in circumstances where such changes only affect some (not all) of the Services, Company will have the right to terminate the affected Services by giving notice to Jeeves prior to the date on which such changes are due to take effect (as specified in Jeeves's notice to Company) (the "Change Effective Date"), provided that the remainder of this Agreement will remain unaffected; or (ii) in circumstances where such changes affect all of the Services, Company will have the right to terminate this Agreement as a whole by giving notice to Jeeves prior to the Change Effective Date.

4.21.3 Jeeves will consider that Company has accepted Jeeves's proposed changes if Company does not provide such a termination notice to Jeeves prior to the Change Effective Date. Such changes will become effective on the date specified in the notice from Jeeves or the 31st day following the date of the notice if no date is specified in the notice.

4.21.4 Jeeves may also make some changes to this Agreement immediately, without prior notice, if such changes: (i) are required by Applicable Law; or (ii) relate to the addition of a new service or extra functionality of Jeeves's Services and do not materially affect terms relating to the existing Services; provided, in each case of (i) and (ii), Jeeves will notify Company of such changes as soon as practicable after such changes are implemented.

4.21.5 Company has the option to stop using the Services, or any affected Services, if it does not agree to any changes. If Company continues to use the Services after Jeeves has notified it of or announced any such changes (whether through Jeeves's website or other means), or has not notified Jeeves specifically that it does not agree to these changes, Jeeves will treat Company as having accepted the changes.

4.21.6 In order to facilitate the continued and proper operation of the Jeeves platform, make improvements to the Jeeves platform or to comply with Applicable Law, Jeeves may issue updates for the Jeeves platform, including Jeeves APIs or other terms of service, from time to time. Some such updates may require Company to take steps to implement them. Company agrees to implement such updates as soon as reasonably practicable after receipt. In some cases (for example, if there are security risks), Company agrees and acknowledges that it will not be able to use the Jeeves Platform until Company has implemented the update. If Company has not implemented an update within six months of Jeeves releasing it, Jeeves may stop providing some of the Services to Company, by giving Company two months' prior written notice.

4.21.7 Any waiver, modification, or indulgence provided by Jeeves to Company, of any kind or at any time, applies only to the specific instance involved and will not act as a general waiver or a waiver, modification, or indulgence under this Agreement for any other or future acts, events, or conditions. Further, any delay by Jeeves in enforcing its rights under this Agreement does not constitute forfeiture of such rights.

4.22 Force Majeure.

Neither party will be liable for any delays in processing or other nonperformance caused by any Force Majeure Event or any other event over which the respective party has no reasonable control. The Party subject to the Force Majeure Event will: (i) promptly notify the other Party of any circumstances which may result in failure to perform its obligations; (ii) use reasonable efforts to avoid or remove the underlying cause of the delay or nonperformance or to mitigate the effect of the Force Majeure Event on the performance of its obligations; and (iii) resume performance hereunder as soon as reasonably practical following the removal of the Force Majeure Event. This Force Majeure clause does not limit or otherwise affect Company's obligation to pay any Fees or other charges or amounts payable under this Agreement.

4.24 Entire Agreement.

This Agreement constitutes the entire understanding between Company and Jeeves for the subject matter described and no other agreements, representations, or warranties other than those provided in this Agreement will be binding.

SCHEDULE B – DISPUTE POLICY AND PROCEDURE

Dispute Policy and Procedure. Jeeves is committed to providing its customers with the highest level of service and support. However, there may be instances where Company or a User notifies Jeeves of a Dispute. This policy outlines the process for handling disputed transactions in a timely and efficient manner. Company and its Users are subject to the terms outlining the process for handling disputed transactions in a timely and efficient manner, in accordance with Applicable Laws, as set forth in this Schedule B.

Reporting a Dispute

Company and/or its Users may submit a Dispute from the Jeeves Account for any settled card transaction processed through Jeeves Account or Payment Methods. If Company and any merchant have a Dispute regarding a transaction identified on their Account Periodic Statement (a "*Disputed Transaction*"), including a Dispute regarding the delivery of incorrect goods or services or being charged the wrong amount, Company or its Users should first attempt to resolve such Disputed Transaction directly with the merchant. If the Disputed Transaction is not resolved to their satisfaction or if they believe the transaction is

unauthorized, they may initiate a Dispute through their Jeeves Account. Company and its Users understand that the Jeeves Program Agreement is subject to Card Network rules regarding Disputes (such Disputes, "*Chargebacks*"). The Card Networks have established procedures for resolving Disputes that may require Company or its Users to provide details of the Disputed Transaction or associated documentation. Jeeves' customer support team will be notified of the Disputed Transaction and will work with Company and internal teams to analyze, investigate and determine whether the Disputed Transaction is valid.

Disputed Transactions that are related to disputed charges will be collected on the payment date if they are pending resolution as of the date that payment is due for the applicable statement cycle. Chargebacks or other Disputed Transactions that are resolved in Company's favor may, in Jeeves' sole discretion, subject to applicable law, be credited to the applicable Payment Method through the Account on either the current or a future Periodic Statement. Jeeves may also impose Fees, reduce the customer's Spending Limits, or suspend access to their Jeeves Account or the Services if they fail to pay charges that are related to Disputed Transactions that are pending resolution on the payment date.

Investigation and Resolution

Jeeves' customer service team along with the appropriate departments will analyze, investigate and determine whether any Disputed Transaction is valid. In some instances, the Disputed Transaction may be considered invalid based on the guidelines provided by Card Networks, participating acquiring banks, Issuer, or other Third-Party Service Providers. Some common reasons for a dispute being considered invalid include, but are not limited to:

- i. The cardholder received the goods or services as described;
- ii. The cardholder authorized the charge;
- iii. The cardholder did not cancel the service or return the goods within the agreed timeframe;
- iv. The cardholder is disputing the charges after a certain period of time;
- v. The cardholder is disputing a transaction that hasn't been posted on their account;
- vi. The cardholder is disputing a charge that is not a card transaction; and
- vii. The cardholder is disputing the charge for a reason that is not covered by the card network regulations.

The Disputed Transaction status will be communicated to the customer; *provided*, Jeeves is not obligated to notify Company or any User of the specific reason for denying a Disputed Transaction. If Jeeves determines, in its discretion, that a Disputed Transaction is valid, Jeeves will require Company or any User to send compelling evidence to support their Disputed Transaction. Depending on those reasons provided by Company or its Users, the type of evidence required by Jeeves may vary. The investigation is most effective when Company and/or its Users has provided complete information. Company agrees to provide current, complete, and accurate evidence regarding any Disputed Transaction.

Jeeves requires Company to compile all the evidence that supports its reason for a Disputed Transaction including, but not limited to:

- i. The credit card statement showing the disputed transaction;
- ii. The original receipt, service contract, purchase order, or invoice from the merchant;
- iii. Emails or other correspondence that shows evidence that Company made attempts to resolve the problem with the merchant;
- iv. Reasons and other support evidence to believe fraud happened;
- v. Any other documentation required by the Card Network.

Jeeves will review the documents provided and communicate with Company throughout the process and keep them informed of the progress as well as the outcome of the Disputed Transaction.

Timeframe

Company and its Users must report any Disputed Transaction no more than ninety (90) days after the Disputed Transaction is settled and/or posted to their account. The Card Network does not accept, and Jeeves will not process, any Disputed Transactions reported more than ninety (90) days after the Disputed Transaction or error posted to Company's Account. Jeeves will make every effort to review disputes within thirty (30) days of receiving the Disputed Transaction from Company or its Users.

Fraudulent And Unauthorized Charges

Company or its Users must notify Jeeves immediately by emailing us at fraud@tryjeeves.com and assist Jeeves in its investigation if the Company's or its Users' Card is lost or stolen or if it believes an unauthorized person or persons is using their Card or Account without their permission. Company and its Users agree that Jeeves waives any and all limitations on its liability for the unauthorized and fraudulent use of such Cards. It is Company's responsibility to take, and cause to be taken by its Users, appropriate measures to secure their cards, account numbers, login, password, and card security features (including the CVV and PIN, if any). In order to assist Jeeves in its efforts to investigate any stolen Card or Account, Company must provide Jeeves with a copy of the applicable Police Report as soon as it becomes available to Company regarding the stolen card or any alleged identity theft.

Below are a few tips Company and its Users can follow to protect the security of their Jeeves card:

1. Keep your Jeeves card in a secure location at all times - either in your wallet or in a locked place to restrict unwanted access.
2. Ensure to store statements and receipts with your Jeeves card information in a safe location.
3. Update your passwords frequently on your computers, mobile devices, and online accounts.
4. Only add trustworthy employees as authorized users on your Jeeves account.
5. Create and set up policies for authorized users so they know which types of transactions are allowed on the account and the steps to take in the event of a lost or stolen card.
6. Review your statements on a monthly basis and check your Jeeves account activity a couple of times per week. This will help ensure that you detect unauthorized charges quickly if it happens.
7. Notify us in advance if you'll be traveling or if your address has changed.
8. Contact us immediately if your card or any of your employees' Jeeves card is lost or stolen.

Dispute Outcome

Dispute outcomes are communicated to Company via email. In the event that we previously issued provisional credits to Company's Account and the Disputed Transaction is found in favor of the merchant, Jeeves reserves the right to reverse the provisional credits from Company's Account. If the Disputed Transaction is found in favor of Company, Company will keep the provisional credits that were issued previously and no further action is necessary.

Finality of Decision

The decision of Jeeves regarding any Disputed Transaction or other Disputes is final and binding on Company and its Users.

Continuous Improvement

Jeeves will continuously review and improve its Dispute Policy and Procedure and its Chargeback process to ensure that Jeeves provides the best possible service to its customers.
